Dear Family, Friends, and Business Owners,

Ontario Mountain View Little League has been going strong as a part of our community for almost 35 years. In that time we have had about 250 boys and girls and their families participate in our league in both the Spring and Winter Ball seasons each year. We are very proud of our achievements and the hard work of all of our volunteers that help keep our league up and running. We are expected to double our registration this year with the expansion of our boundaries.

There are however many expenses connected with running a successful league, we rely solely on our own fundraising events and the support of local business sponsorships and family donations.

The majority of our league's expenses consist of paying our share of the upkeep costs of the fields, charter fees, and insurance fees and of course uniforms and equipment for our players. Ontario Mountain View Little League is hoping that with the support of your business, your donations will help offset some of the costs incurred so we can thrive for yet another successful season. We understand that not all businesses are in a position to make a monetary donation. We are also looking for donations of items to raffle off to our players, coaches, and team parents at our Opening Day and Closing Day ceremonies.

Ontario Mountain View Little League also has a policy of "no child should ever be turned away" because of a parent/guardian's inability to pay. In which case, you may also consider the opportunity to find it in your hearts to sponsor a player in our league that is in economic hardship, which in turn is giving you the opportunity to help our league achieve success.

In return for your sponsorship and based on your selection, we will be proud to display a sign with your company logo on our Major or Junior fields. In addition, we can also place an ad for your business in this season's yearbook and website, both which will be seen by players, parents, and an increasing number of spectators from the local community. There may also be opportunities for other promotions which could create additional publicity.

We do hope that this is something you might be willing to consider. We would welcome the opportunity to speak with you further about this. Please contact OMVLL with any questions or concerns you may have at 909-947-9186.

Thank you for giving this your consideration.
Sincerely,

Ontario Mountain View Little League Board of Directors
